

Meet George Abou-Ezzi, D.M.D.

"I have had the distinct pleasure of serving the Greater Boston area and the Merrimack Valley for over 20 years. As my Pleasant Dental Center Family continues to grow, I would like to address my uninsured patients concerns in the form of a Patient Membership Plan. This is not dental insurance and can only be offered to uninsured patients. While the plan is offered to all uninsured patients - our senior citizens and veterans are underserved and deserving of a viable solution for affordable dental care. It is an uncomplicated, cost-effective Membership Plan with uncompromising care - a winning combination. *George Abou-Ezzi, D.M.D.*

Please note this is NOT dental insurance and only available to uninsured patients. It is simply a viable solution to assist all uninsured patients in our quest to maintain our patient's good oral and overall health.
